

NMCRC San Diego

Welcome to MEDLOG DET 1!

Our members are composed of Marines and Sailors who are dedicated to provide sustained medical support to a regimental landing team (RLT) sized force. You will be offered some exciting training opportunities and challenges to express and enhance your military professional skills and expertise. If you decide to join our unit I am sure you will be a great asset to our detachment.

Our members take great pride in being part of a small but integral part of the NAVY MARINE team. We enjoy a special camaraderie of Marines and Sailors during drill time and when away from our drilling site. Some of the unique activities that we take part in include:

- ♦ Operational and Field Exercise Support
- ♦ FMF Training and Qualifications
- ♦ Operational training and Qualifications including, SWIM, FIREARMS, MCMAPS, GAS CHAMBER
- ♦ Community Support Activities including Toys for Tots, Aid Station Manning, Fundraisers, The Marine Corps Birthday Ball

We value our core values of HONOR, COURAGE COMMITMENT. These are key in all facets of our careers and lives.

I commend you for your desire to serve our nation and the Naval Reserve. I hope you will find the time spent in this pursuit, and your affiliation with MEDLOG DET 1, to be a rewarding experience. I look forward to meeting you and wish you best with your Naval Reserve career!

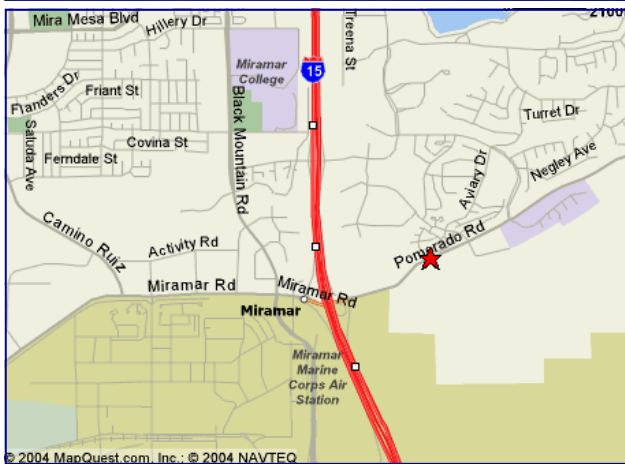

Once again, **Welcome Aboard and Enjoy The Tour!**

MEDLOG DET 1 MISSION

OUR MISSION for annual training is to provide exercise/operational class VIII medical and dental supply support and intermediate level maintenance support for medical and dental equipment within Marine Forces Reserve.

Maintain the force authorized medical/dental allowance lists. (AMAL/ADAL)

Upon mobilization ship Table of Equipment (T/E) maintained at medical logistics company to all initially mobilized units until all assigned AMAL/ADAL blocks have been shipped to their appropriate SIA and concurrently send personnel to oversee and assist in the assemblage and shipment of excess Active Duty AMAL/ADALs, which are necessary to meet the USMCR's total AMAL/ADAL T/E mobilization requirement.

We Will Strive to achieve 100% training and mobilization readiness and customer satisfaction on the basis of

- ◆ TEAMWORK
- ◆ CUSTOMER SERVICE
- ◆ CONTINUOUS PROCESS IMPROVEMENT

Fax: 858-537-8096

DRILLS:

MEDLOG DET 1 generally drills the first weekend of the month. Members muster for drills at NMCRC San Diego at 0730, in the uniform of the day, unless otherwise instructed via the frost call or POM

UNIFORMS:

Cammies are the uniform of the day

ANNUAL TRAINING:

A minimum of 12 days and maximum of 17 days of annual training must be performed by each drilling reservist each fiscal year

PHYSICAL READINESS:

The PRT/PFT is done twice annually (Spring and Fall). All members are responsible for meeting their individual physical readiness standards

MEDICAL READINESS

All members are responsible for reviewing and correcting ALL medical and dental readiness discrepancies during each scheduled drill

POM:

The Plan of the Month is the Official document that provides the latest unit information, POCs and general guidance for all hands. It is published monthly and all members are responsible for complying with the information and directives

4th FSSG History

On February 6, 1966, the Headquarters of the 4th Force Service Support Regiment was activated at the Armed Forces Reserve Center in Midland, Texas. During January 1968, the headquarters relocated to the Marine Reserve Training Center, Orland, Florida. The headquarters again relocated to the Navy and Marine Corps Reserve Training Center, Atlanta, Georgia during 1971. In May 1976, the unit was re-designated the 4th Force Service Support Group, Fleet Marine Force. In January, 1987, the headquarters relocated to Marietta, Georgia. The flag of the 4th FSSG was moved to its present site in New Orleans in February 1992.

The mission of the 4th Force Service Support Group is to provide general and direct support and sustained combat service support above the organic capabilities of support element of Marine Air-Ground Task Forces (MAGTFs). These supported units may be in garrison, combat, and/or in separate locations. The FSSG will support the MAGTF in the amphibious assault and subsequent operations ashore.
